What we offer

Straight bonds	Sustainable bonds	Covered bonds	Asset-backed securities
Hybrid bonds	Liability management	Rating advisory	Market making

Full value chain with extensive distribution network

Why ZKB

- Market-leading expertise → Five experienced debt specialists
- Outstanding placement power → Exceptional sales force that knows all relevant investors
- Strong in-house demand → Swisscanto (second-largest asset manager in Switzerland)
- Smart innovations → Leading in digital bonds, with and without wCBDC settlement
- Sustainability pioneer → Market leader in ESG-labelled bonds
- By far the biggest market share in secondary trading in the CHF bond market
